 - Collaborate with project managers to understand project specifications, timelines, and requirements.
 - Plan and organize tasks to ensure efficient project execution.
2. Leadership and Supervision:
 - Lead and supervise a team of roofing workers, assigning tasks and responsibilities.
 - Provide guidance, training, and support to crew members.
 - Motivate the team to meet project goals and deadlines.
3. Quality Control:
 - Ensure that roofing installations meet quality standards and adhere to industry best practices.
 - Conduct inspections to identify and address any issues or defects.
4. Safety Compliance:
 - Enforce and promote strict adherence to safety protocols and regulations.
 - Conduct safety meetings and training for the roofing crew.
 - Investigate and report any accidents or incidents promptly.
5. Resource Management:
 - Manage and allocate resources efficiently, including materials, equipment, and manpower.
